RESPONSE TO OFFICE ACTION

Dear Examiner,

This response corrects non compliance to revised amendment practice of the previous communication of 8/4/2003. It also addresses the office action dated 09/12/2003 by the US Patent Office regarding the rejection of Claims 1-34 and 36 and the objection to claim 35, all claims belonging to Group I elected with traverse. All rejections by the examiner have been accepted. Rejected Claims 2-34 and 36 have been withdrawn. Rejected Claim 1 has been cancelled. Claims 37-43 have been withdrawn with traverse in an earlier response. The objected dependent claim 35 has been cancelled and rewritten in independent form as claim 44. Two new Claims 45 and 46, dependent on Claim 44, have been added.
